

INSTRUCTIONS

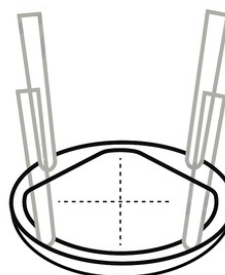

- The seat pads are supplied unattached and are designed to be permanently fixed for user safety. They are not intended to be removable.
- If assembled incorrectly or not according to the assembly instructions, the product warranty will become void.

TOOLS REQUIRED (NOT INCLUDED):**4 x 20MM BUTTON HEAD
TIMBER SCREWS****PENCIL****MEASURING TAPE****IMPACT DRILL
OR SCREWDRIVER****WARNING:**

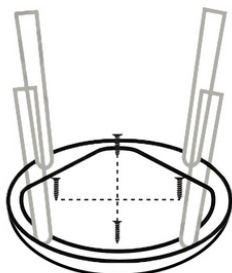

When using an impact drill ensure it is set to a low power setting.

ASSEMBLY INSTRUCTIONS:**STEP 1**

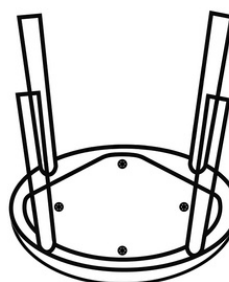

Place the product face down on the corner of a table with the seat pad positioned underneath.

STEP 2

Measure and mark the points for drilling screws, ensuring they are positioned 20mm away from the inner edge of the frame.

STEP 3

Secure your screws at the marked positions, use the low power setting when operating any power tool.

STEP 4

Make sure the screws are firmly in position to attach the seat pad securely.
